

TRAIL CLOSED

TO PROTECT FIRE REHABILITATION EFFORTS

This portion of the Big Morongo Canyon Preserve is closed temporarily to protect natural resources and to ensure visitor safety following the Paradise Fire of June 2005.

The Desert Willow Trail is open for hiking and bird watching. Closed areas of the Preserve are dangerous for visitors and still fragile after the fire. Please help us protect these resources.

For more information please contact the Preserve Hosts
at (760) 363-7190
or the Bureau of Land Management
at (760) 251-4800
